

United Way Campaign Update - October 28, 2011

Your gift to United Way provides ...

an improved quality of life for older adults in our community.

Marilyn*, an older adult suffering from Multiple Sclerosis came to the Summit Center to participate in an exercise program to help her strength, balance and well-being.

[Click here](#) to read how the Summit Center, an essential United Way funded program, changed Marilyn's life.

** Individual's name changed for privacy.*

2012 Kickin' Campaigns

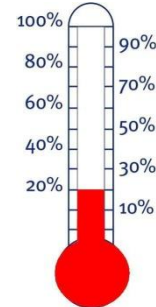

Workplace rallies are going on all around our community to bring the message of United Way's work to you (and to have some fun while doing it)! [Click here](#) for the full update and more pictures!

- Kato Engineering had Minute To Win It team challenges
- HickoryTech held their rallies complete with pizza and root beer floats
- Thayer Publishing saw a big increase in their employee giving
- Micro-Trak had a week's worth of events for United Way including silent auction, sloppy joe luncheon and Minute To Win It games
- Lake Crystal Wellcome Memorial School District held a first-time employee rally this year

Who We Are

We help people you know: living in your neighborhood, going to your kids' schools, working alongside you every day. Find out more about who United Way is [here](#).

First Steps Update

Thank you to the Mankato Clinic Foundation for their 3 year grant to Greater Mankato United Way for the First Steps Collaborative. This grant will allow the Collaborative to be integrated into the local healthcare system.
