Leading the Way

The United Way Tocqueville Society is one of the world's most prestigious institutions for individuals who are passionate about improving people's lives and keeping our communities strong. The Society aims to create long-lasting changes through philanthropic leadership and personal giving. Membership in the Society is granted to those who contribute at least \$10,000 annually to United Way.

Ordre d'Égalité (Order of Equality): \$50,000-\$74,999

Lowell & Nadine Andreas Foundation

Lowell Andreas was a philanthropist and a longtime contributor to United Way. His commitment to the community, particularly his passion for youth and education, was reflected in his generosity as the Greater Mankato Area United Way's largest donor to date. Lowell joined his wife Nadine when he passed away in 2009 at the age of 87, but their legacy will continue to impact lives in the greater Mankato area.

Ordre de Liberté (Order of Liberty): \$25,000 - \$49,999

Anonymous Donor

Dennis & Carole Dotson

Denny and Carole Dotson are longtime residents of Mankato and have enjoyed watching the community become a regional center. They have been supportive of community efforts that have evolved to handle the needs of an expanding diverse population, especially those that touch the lives of children.

Lyle & Kay Jacobson

As former owners of Katolight Corporation (now Rolls-Royce Solutions America), Lyle and Kay Jacobson have been longtime supporters of United Way. They have a history of conducting successful employee campaigns, giving personally, giving through their business and giving through their donor advised fund of the Mankato Area Foundation. In addition to supporting United Way, Lyle and Kay give additional support to many of the United Way agencies.

Their philanthropic areas of emphasis are youth activities, education, the arts and humanitarian organizations. Overall they have a keen interest in enhancing the quality of life in the Mankato area helping to make it an attractive community for employee retention and recruitment and helping make it a community that provides opportunities for healthy family lives. Sadly, Lyle passed away in 2020, but as a Mankato native, Kay plans to carry on their legacy of giving through United Way.

ALEXIS DE TOCQUEVILLE SOCIETY

Olseth Family Foundation

The Olseth Family Foundation is working to improve the community through support of arts, education, the environment and the underserved. In 2017, the foundation's passion for literacy and equal access to books led to Greater Mankato Area United Way's Fourth-Grade Book Project, which provides a Shel Silverstein poetry book to every fourth-grader in the region. The Olseth Family Foundation supports many other community initiatives, including the BackPack Food Program, Echo Food Shelf, CADA House, VINE Faith in Action, Children's Museum of Southern Minnesota, and the Recharge Mankato initiative in partnership with the Mankato Area Foundation and Minnesota State University, Mankato.

This gift is inspired by the courage of and in the names of Kendall Grund and Kobi Schuck. It is also in remembrance of their fathers and with appreciation for Project for Teens and its youth leaders.

Bill Anderson & Robin Wingo

Bill Anderson and Robin Wingo are both social workers who are now retired professors from the Department of Social Work at MNSU, Mankato. They are especially concerned about the financing of area non-profit agencies during these challenging times, and have supported a variety of agencies such as CADA, ECHO, MVAC, Planned Parenthood and of course the United Way. One of their greatest pleasures is seeing the amazing work done by former students at many of the agencies in the region and across the country.

Scott & Dawn Bradley

Scott and Dawn Bradley moved to the Mankato area in 2010 and began their involvement with Greater Mankato Area United Way as a way to give back to the community and support the programs that are so critical to the area. As donors, they value the yearly evaluations of the partner agencies and the mentoring that United Way does with the partner agencies to ensure that donor dollars are invested to efficiently support the programs, making United Way the perfect vehicle to distribute donor funds.

Dennis & Susan Hood

Tim Huebsch

Tim grew up just outside Mankato on his family's farm and is active in the community both here in Mankato and across the Twin Cities. His involvement with United Way started almost 20 years ago through the workplace giving program at General Mills where he led the New Hire & Emerging Leader Campaigns. That engagement with the Emerging Leaders program provided him a hands-on understanding of some of the critical needs in the community and allowed him to build connections across organizations. Tim continues to volunteer and support the community through various nonprofits as he splits his time between Mankato and Maple Grove.

Kay & Lyle Jacobson Family Fund

Nick & Kaitlyn Kaus

Nick and Kaitlyn Kaus were recently married this past year and have been active in Greater Mankato Area United Way for several years. They both believe that giving back to the community provides invaluable opportunities in improving mental health, education and overall quality of life. Their goal is to promote awareness of the value in donating to Greater Mankato Area United Way for generations to come.

Joe & Christine Michaletz

The Mankato area has been the life-long home for Joe Michaletz, and home to Christine since moving to the area as a student at MSU in the late '80s. The couple is grateful for the strong community the Mankato area has provided while they have raised their family and built their business, Discipline Advisors. Joe and Christine are always impressed by the work of Greater Mankato Area United Way and their collaboration with partner agencies. They appreciate knowing their financial support reaches the greatest needs in the community and is used to bring a positive impact to the lives of so many individuals around Mankato.

Mick & Lisa Montag

Mick and Lisa Montag have been active in Greater Mankato Area United Way and their supporting programs for a long time. Both are residents of Mankato as well as local business owners. The couple enjoys being part of the United Way and being able to support their community and other regional nonprofits, including Minnesota State University Mankato, Fellowship of Christian Athletes and Loyola Catholic School. Mick was also Captain of the United Way Development Construction Division from the years 1980–1983. Additionally, with their four children, the Montag family has volunteered for some of United Way's other organizations. For Lisa and Mick, it has been an honor to give back to Greater Mankato Area United Way and assist them in continuing their excellent work!

Brad & Teresa Pratt

Phil & Margie Slingsby

Phil and Margie Slingsby feel strongly about supporting United Way because it reaches so many people in the Mankato area. There are many excellent non-profit groups and every year, United Way evaluates the needs of the citizens of the Mankato area and distributes the funds accordingly. Phil worked with the United Way campaign at Scheels for many years. As a retired Scheels manager, he saw how the corporation supports its communities, and Phil and Margie have been following its example of giving back to the community through United Way.

Scott & Valerie Smits

Scott and Valerie Smits moved to Mankato in 2018 with a passionate desire to support local businesses and the community as a whole. United Way does both with the stringent yearly evaluations of the agencies seeking support to the diversity of the businesses themselves. A strong community of people helping people is something that they want to be a part of. They are thrilled to be able to support Greater Mankato Area United Way.

Stuart & Ann Sneer

Having lived in Mankato for almost 30 years, the Sneers have witnessed many positive changes taking place in the surrounding area. The difference United Way and the non-profit organizations make in the quality of people's lives is important, especially those that touch the lives of children. Stuart, Ann and the United Prairie Bank team have been long-time supporters of Greater Mankato Area United Way and are proud to continue serving the community in giving, volunteering and other aspects.

Todd Snell

Longtime Mankato resident Todd Snell is an integral part of the Greater Mankato community, from owner of Snell Companies to active member of various nonprofit organizations. Snell Companies, including Snell Motors and Snell Auto Wash, has created job opportunities and additional traffic in Mankato, supporting the regional hub and overall development of the area. Throughout the business growth, Todd has kept the Mankato community a priority. On top of continually supporting United Way, he is involved with a number of other area nonprofits and also finds himself spending much of his time in the community with his children's activities. Todd chaired United Way's successful 2016 campaign as part of the United Way board and is an active volunteer.

Bill & Beth Soderlund

Bill and Beth Soderlund see United Way as very good soil that produces a beautiful harvest through its benefits to people of all ages. Bill and Beth have nine wonderful children and reside in St. Peter. Bill also supports United Way through his St. Peter-based company, Vet-Rx.

Glen & Becky Taylor

As a Board Member from 1976–1978 and Campaign Chair in 1980, Glen Taylor has been an avid supporter of our United Way. Members of the Heart Club since its inception in 1990, Glen and Becky Taylor joined the United Way Tocqueville Society in 2009. In addition to supporting United Way, Glen and Becky have been involved in various organizations in the community and are generous supporters of several area nonprofits.

Steve VanRoekel

Steve VanRoekel is committed to making life better for others in our community. He embodies what it means to LIVE UNITED by giving generously of his time, talent and treasure to Greater Mankato Area United Way and numerous other nonprofit organizations with a passion to improve the lives of all individuals and families in our community. United Way has been fortunate to count Steve as an integral part of our volunteer leadership team for several years, including serving as past Campaign and Board Chair.

Steve & Beth Weisbecker

Though not born and bred in Mankato, Steve and Beth Weisbecker have a deep, deep love for this city and the area. Since becoming a United Way “loaned executive” back in the late ‘70s, Steve has seen first-hand what amazing work the various agencies do for our region. United Way has been and will be their number one charity for giving. Steve also believes it is his honor and responsibility to demonstrate to his Lloyd Management employees how important it is to give back to Greater Mankato Area United Way and their community. The Lloyd Management team is proud of their year-in and year-out giving record!

90 YEARS STRONG

We sincerely thank you for your commitment to keeping our region strong. Your support helps United Way programs serve more than 51,000 people annually through basic needs, health and education.

Greater Mankato Area United Way celebrated its 90th anniversary during the 2022 campaign.

Established as the Mankato Community Chest in 1931, Greater Mankato Area United Way has kept the well-being of individuals and families at the heart of its work, made possible through the efforts of partner agencies, community members, businesses and volunteers.

Many things have changed in 90 years, but the core tenets of United Way's work as the balancer of our region remain the same.

Thank you for your support to improve lives in our region—past, present and future.
