Cooperative Energy Futures

☒ Community Solar ☒ Utilities

Serving: Blue Earth, Brown, Faribault, Le Sueur, Nicollet, Waseca, & Watonwan counties.

Cooperative Energy Futures is a MN based clean energy co-op. Our mission is to empower communities across Minnesota to build energy democracy through solutions that are clean, local, and ours. We have done this largely through the development of community solar gardens (CSGs). We are building a CSG just outside Mankato and are looking for subscribers! Any Xcel customer that lives in the eligible counties can benefit! With community solar you "subscribe" for a portion of the total energy of the garden and get credited on your bill! On average subscribers save about 10% on their electricity costs by subscribing.

Phone: 612-568-2334

Website: www.cooperativeenergyfutures.com/
